TERMS OF SALE

1. All potential Purchasers must register at the Auction Office.
2. The highest bidder will be the Purchaser and no bidder shall retract their bid(s). All sales are final.
3. Any dispute arising as to any bidding will be determined by the Auctioneer at his/her sole discretion and, at the Auctioneers' discretion, the Auctioneer may immediately put the lot in dispute up for sale again.
4. The Auctioneers reserve the right to refuse any applicant a bidding card for the privilege of bidding by number at the auction sale and/or revoke such privilege at any time.
5. Purchases become the responsibility of the Purchaser upon award of the bid. It shall be the responsibility of the Purchaser to insure their purchases immediately; as such purchases remain at the sole risk of the Purchaser.
6. For any lot(s) as determined by the Auctioneers, the Purchaser is required to make a \$500 payment on each purchased item. The balance is to be paid on or before the termination of the auction sale, unless otherwise specified.
7. Complete settlement of all purchases is to be made on Tuesday following the auction at 6pm. All settlements are to be made by Cash, Certified Cheque, Bank Draft, Visa, MasterCard or Debit. All Credit Card payments must be made in person and the card holder must be present. All Credit Card payments will be processed through a third party payment provider. Charges will apply to use this service. Remote payment options include email money transfer and wire transfer.
8. The Purchaser agrees to pay, in addition to the purchase price of the item(s), buyers premiums and all government taxes that are announced or posted by the Auctioneers for this particular auction sale. Such notification of applicable taxes will be made at the commencement of the sale, as part of the catalogue for this particular sale, by posted notice on the auction site and/or any combination of the aforementioned as the Auctioneers see fit.
9. The Purchaser will not be entitled to possession of any of the said lot(s) purchased until the total purchase price of all the lot(s) have been fully paid. In the event that the Purchaser fails to pay the full purchase price for any lot(s) within the prescribed time, or fails to comply with any of the 'Terms of Sale', the purchaser will be sent to collections and/or small claims court. All costs incurred by the auction in the above mentioned process will be billed directly to the purchaser.
10. All costs and the responsibility of removal will be borne by the Purchaser. The Purchaser, if asking the Auctioneers to assist in the removal of any item(s) will indemnify and hold the Auctioneers and/or their staff harmless from any resulting loss or damage to the item(s) being removed. The Purchaser will supply the Auctioneers with proof of adequate insurance before the removal of item(s) that require dismantling, rigging or hot cutting. The Purchaser agrees to indemnify and save harmless both the Seller and the Auctioneers against any damage caused by the acts of the Purchaser and/or their agent(s) in connection with the dismantling or removal of any lot(s).
11. All lot(s) must be removed within the time announced or posted at the sale, at the Purchaser's sole cost and risk and only in a manner approved by the Auctioneers. TERMS OF SALE (continued)

13. Except as herein set out, there shall be no guarantees or warranties expressed or implied, statutory or otherwise of any nature whatsoever. Each and every item is sold on the condition that it may not be fit for use and that certain repairs may be needed to be done by the Purchaser (at the Purchaser's expense) to make the item(s) usable or roadworthy. Specifically, but not to restrict the generality of the foregoing, the Auctioneers make no representation that any of the lot(s), the subject of the auction:

No person shall have any claim against the Auctioneers, their agents, employees or principals for any injuries sustained nor for damages to or loss of property which may occur from any cause whatsoever.
18. Interest at the rate of 24% per annum will be charged on overdue accounts owing to the Auctioneers.
19. Any stipulation, promise or guarantee made between the buyer and seller must appear in writing on the contract before it becomes part of the transaction. The auction assumes no responsibility for verbal commitments.
20. NO LOT is allowed to leave the auction premises without full payment and a valid release slip.
21. You cannot bid on your own lot(s). Any person caught "price boosting" or "shilling" on their own lot(s) will be asked to leave the auction and will lose all auction privileges.
22. Anyone caught tampering with or removing parts from any lot(s) in the auction will be permanently banned from the auction premises and charged by the police.
23. In any instance where an online or physical auction experience delays for any reason, auction management has the right to extend, postpone, delay, reschedule or cancel the auction at their discretion.

NOTICE

If you buy cars for the purpose of resale, you must be registered as a Motor Vehicle Dealer, pursuant to the Motor Vehicle Dealers Act. It is an offence under the Act to carry on business as a dealer without being registered, punishable by a fine of up to \$50,000 and/or two year imprisonment.

WHAT IS CAMVAP?

CAMVAP is a cross-Canada program that you can use to resolve disputes with a manufacturer about defects in your vehicle's assembly or materials, or how the manufacturer is applying or administering its new vehicle warranty.

Disputes are resolved through binding arbitration. CAMVAP covers most domestic and imported passenger cars, light trucks, sport utility vehicles, vans and multi-purpose passenger vehicles purchased or leased in Canada, as long as the vehicle is the current model or one of four previous model years.

SPECIAL PERMITS

North Toronto Auction's recommendation is that all vehicles be towed from our premises as they are being sold "As Is, Where Is" and have not been inspected by a mechanic. North Toronto Auction would be pleased to help you arrange transportation of your vehicle to your destination.

However, under the Highway Traffic Act Section #11(1) of the regulation #628, a buyer can purchase a Special Permit to transport vehicles they are purchasing.

If you choose to purchase a 10 day Special Permit and your vehicle is eligible for one, Service Ontario will be here on AUCTION DAY ONLY (Saturday) to issue them and answer any questions you may have.

To purchase a Special Permit you will need:

- *- Your Sales Contract (or a copy)
- *- Driver's Licence
- *- Insurance Information
- *- \$28.50 Cash Only

You are solely responsible for the insurance on the vehicle that you have just purchased

Special Permits are valid until 9 am on the Wednesday after the auction. Once the vehicle is certified, the special permit will be valid until the date appearing on the permit.

North Toronto Auction assumes NO responsibility for vehicles once they have been removed from the auction compound.
