

Decal Removal Coordinator/Detailer - \$18/hour -Full-Time

North Toronto Auction is Canada's premier Independent Auction Company. Located in Innisfil, Ontario, North Toronto Auction hosts monthly Public and Dealer auctions at our sprawling facility. Most recently, North Toronto Auction launched AutoGavel, Canada's first online vehicle marketplace open to the public. As a result, North Toronto Auction is adding to their team to assist with the organic growth of their strategic plan.

The Role

The Decal Removal Coordinator/Detailer provides a unique service to our large customer base. Many of our consigned vehicles arrive for auction with company decals affixed. As a full remarketing facility, we provide the service of removing these decals, detailing the vehicles, and data capturing them for online auctions and advertising. Key customers that this role would be servicing include The Province of Ontario, City of Toronto and Hydro One. This position is the key point person for this service.

How you will Perform the Role and Succeed

- Thrive in a fast-paced environment, multi-tasking and being calm under the exciting yet pressure filled auction environment.
- Bring professionalism to the external operations by actions, appearance, and excellent customer service.
- Ability to work outdoors in all weather conditions.
- Drive defensively and safely. Possess a clean driving record.
- Physically Capable to perform the required duties of removing decals and detailing vehicles.
- Ability to use smart phones and mobile applications to prepare vehicles for online auctions.
- Work well within a team atmosphere and ensure you are courteous to fellow employees.

How you will get Hired

- Must be available Monday to Friday and select **Saturdays** as per our auction schedule. Hours 8:30am to 5pm.
- Proven Ability to work in a multitasking environment
- Work independently with minimal supervision
- Proven record of punctuality and professionalism
- Follow all applicable safety and health related procedures

- Clean Drivers Abstract with minimal Full “G” Licence.
