

Vehicle Jockey - \$15/hour -Part-Time- Casual (\$17/hour if valid DZ license)

North Toronto Auction is Canada's premier Independent Auction Company. Located in Innisfil, Ontario, North Toronto Auction hosts monthly Public and Dealer auctions at our sprawling facility. Most recently, North Toronto Auction launched AutoGavel, Canada's first online vehicle marketplace open to the public. As a result, North Toronto Auction is adding to their team to assist with the organic growth of their strategic plan.

The Role

The Vehicle Jockey provides transportation services to our customers, moving vehicles to and from the auction house from all areas of Southern Ontario. Using safe and defensive driving skills, the drivers work within teams to provide an excellent customer experience and care for our customer's assets. On the Saturday auction day, the driver moves vehicles to the auction block where we turn metal into memories!

How you will Perform the Role and Succeed

- Thrive in a fast-paced environment, multi-tasking and being calm under the exciting yet pressure filled auction environment.
- Bring professionalism to the transport department by actions, appearance, and excellent customer service.
- Drive defensively and safely. Treat our customer's vehicles as your own.
- Follow all road laws.
- Work well within a team atmosphere and ensure you are courteous to fellow employees.

How you will get Hired

- Must be available **Saturdays** as per our auction schedule. Hours 8:30am to 5pm.
- Physically Capable of the stresses of driving for long periods of time
- Be available for Driving throughout the week when needed. Flexible Hours.
- Able to work and drive in varying weather conditions.
- Proven Ability to work in a multitasking environment
- Work independently with minimal supervision
- Proven record of punctuality and professionalism
- Follow all applicable safety and health related procedures
- Clean Drivers Abstract with minimal Full "G" Licence. DZ class prioritized.
- 25 years of age for insurance requirements
